Andrea Allan hails from Brooklyn. I started my career at age 5 dancing on tables in upstate New York where my exposure to entertainment was tremendous. We moved to Southern California where I attended Lee Strasberg Theatre Arts Institute and studied voice. I've been in various plays such as Sally Bowles in Cabaret and Virginia in Who's afraid of Virginia Wolf.

**ANTHONY QUARANTI**  
REALTOR®, SREC

A native New Yorker who grew up loving the music of such legends as Frank Sinatra, Dean Martin, Tony Bennet, and Sammy Davis Jr. just to name a few. In 2008, as the economy started to crash, Tony followed one of his passions and for fun, took singing lessons in mid-town Manhattan. Tony started performing his one man Frank Sinatra tribute show in various restaurants, taverns, and bars using his orchestra recorded backing tracks.

**JOSH WILLIAMS**  
REALTOR®, SREC

Performing for the first time since lighting up the nightclub scene over a decade ago, Josh is going to perform his legendary flair fire show. Josh has performed at nightclubs all across the state of Florida and competed with the best bartenders on the planet. His longest tenure was at Club Paris where Paris Hilton herself used her coined phrase when referring to Josh, "That's Hot".

**MARCY JAVOR**  
REALTOR®, SREC

I started singing in high school in theatre and plays and then went on to college and minored in music. After college I went on to commodities and did music on the side and put out a few cd's. A few songs still play at night but that is mostly in the past now; however, I miss it.

**HOLLY LIPTON**  
REALTOR®, SREC

I have been a professional Entertainer for, well, a really long time! During my daze in the spotlight, I have been blessed with having had the role of "Mary Magdalene" in Jesus Christ Superstar way back in 1971. Moved to Los Angeles and worked every major nightclub, appeared on the "Tonight Show" several times, "The Dinah Shore Show" and made my way back to New York, appearing at "Radio City Music Hall" in a show called, "5,6,7,8, Dance" starring Sandy Duncan, Bill Irwin, and Marge Champion.

**JILLYN FELDMEN**  
REALTOR®, SREC

Jillyn Brown Feldman has been a SIRE agent since 2014. Jillyn not only reads music, plays flute and piano but is a longstanding member of Broward Women's Choral Group in Ft. Lauderdale where she sings 2nd Soprano. She was recently asked to join the Delray Chorale as an Alto 2. She can be seen performing at karaoke nights around town.

**PAUL SCHLANGER**  
REALTOR®, SREC

One of my biggest passions is music and I'm a singer-songwriter in my spare time. I enjoy playing classic rock cover songs as well as the originals I write. One of the many things that most people love about music is how the power of an old song can trigger vivid memories that seem to transport us back in time and space.

**SABRINA ZARMATI**  
REALTOR®, SREC

Sabrina Renee is a musician and singer-songwriter. She has been playing music since the age of 6, starting out with piano as her first instrument. At age 15, she taught herself guitar and began composing her own pieces both lyrically and instrumentally. Tonight Sabrina Renee will be playing an original for you, we hope you enjoy it as much as she enjoyed writing it and playing it for all of you!
